The Red Velvet Cake War

November 2 – 18, 2012

In this riotously funny Southern-fried comedy by the authors of *Dearly Departed* and *The Dixie Swim Club*, the three Verdeen cousins—Gaynelle, Peaches, and Jimmie Wyvette—could not have picked a worse time to throw their family reunion. Their outrageous antics have delighted local gossips in the small town of Sweetgum (just down the road from Fayro) and the eyes of Texas are upon them, as their self-righteous Aunt LaMerle is quick to point out. Unfortunately, the cousins face an uphill battle as a parade of wildly eccentric Verdeens gathers on the hottest day of July, smack-dab in the middle of Texas tornado season. Things spin hilariously out of control when a neighbor's pet devours everything edible, a one-eyed suitor shows up to declare his love and a jaw-dropping high-stakes wager is made on who bakes the best red velvet cake. As this fast-paced romp barrels toward its uproarious climax, you'll wish your own family reunions were this much fun!

Dead to the Last Drop

January 11- 27, 2013

There's murder afoot at the "Café Caffeine", a popular coffeehouse and bookstore . . . and it's up to you to identify the killer! In this audience-participation murder mystery, the crazy cast of characters will lead you through a maze of funny twists and turns before the audience is allowed to vote on the killer. Will it be the flamboyant dancer? The Ph.D. in English Literature? The graduate of "Our Lady of Perpetual Entertainment"? Someone else? Murder shouldn't be this much fun!

Leaving Iowa

March 8 – 24, 2013

A toast to their idealism and character of the "greatest generation" and a little roast of their undying dedication to the classic family road trip, *Leaving Iowa* is the story of Don Browning, a middle-aged writer who returns home and decides to finally take his father's ashes to his childhood home as requested. But when Don discovers Grandma's house is now a grocery store, he begins traveling across Iowa searching for a proper resting place for his father. *Leaving Iowa* is a postcard to anyone who has ever found himself or herself driving down a road, revisiting fond memories of his or her youth.

Let's Hang Him and Read the Will

June 14 - 23, 2013

Teen Production. All is not well in the little burg of Beautyrest Springs. It's most prominent (and hated) citizen, F. Mycroft Tanner, did himself in. At least, that's what Sheriff Harold Tyred reports in between his visits with Martha, the maid, who was also seeing Percy, the gardener, who is sweet on Freida, the reporter, who really wants the inside scoop on Mycroft's death (and his rather plush will). If you think it's all too confusing, wait until two people show up claiming to be the same long-lost daughter, the murdered maid's older sister puts in an appearance, and a tour guide starts bringing groups through the scene of the crime. This riotous spoof is full of soap opera-isms and will keep you guessing until the last suspect you suspected is no longer a suspect.
