

Princess Whatsername is produced by special arrangement with Pioneer Drama Service, Inc.

Our **Very Special Thanks** go to our **ANGELS**, who help make our theater a reality. In the past, this page has been used to list their names and contribution levels. However, thanks to their generosity, there just is not enough space to adequately list all of our Angels. We are now prominently posting our up-to-date list of Angels in the lobby Display Case. We hope you take the time to see how many of your friends and neighbors have helped us over the years and, if you're not already on the list, that you consider joining them.

We have done our best to make sure that this list is accurate. However, should you notice an omission or incorrect listing, please let one of the Board members know, and we will do our best to see that it is correctly updated for the next production.

You will also find a separate list in the lobby recognizing those who donated to support our new audience seats. We still have chairs waiting to be adopted!

To all past, present, and future donors,
Lake Wales Little Theatre applauds you!
